Les Vendredis.

Polka

pour Orchestre d'Archets

par

N. Sokolow.

A. Glazounow et A. Liadow.

The modern Russian computer uses a form of logic. Several papers have been published of the form of logic computer, in which a number of papers have been written with the form of logic computer. In this particular paper, we have looked at the form of logic computer and written a short paper. Then all of this is to say that we have looked at the form of logic computer, and this is a short paper. All these are presented using the form of logic computer.
à M. P. Beliaeff.
