SPIRIT OF GOD

Andante moderato

Piano or Organ

Spir-it of God, de-scend up-on my heart, Wean it from earth, to joys that
dwell a-bove; Lift me from weak-ness, might-y as Thou art.

Teach me to love Thee as I ought to love.
a tempo

I ask no dream, no passing ecstasies, No ceaseless dwelling

in this veil of clay: Just send Thine angel thoughts thro' opening skies,

And take the dimness of my soul a.
way, O take the dim-ness of my soul a-

way.

Teach me to feel that Thou art al-ways nigh;

Teach me the strug-gles of the day to bear,
To check the rising doubt, the rebel sigh;

Teach me the patience of unceasing prayer.

I ask no dream.

passing ecstasies, No ceaseless dwelling in this veil of clay:
Just send Thine angel thoughts, thro' opening skies,

And take the dimness of my soul away,

O take the dimness of my soul away.
Sacred Song

BY THE WATERS OF BABYLON

By CHARLES T. HOWELL

The introductory Recitative of this fine song tells in the Scripture text of the sorrows of the Hebrews in their Babylonian captivity; the splendid melody below voices their longing for their beloved Jerusalem. It is beautifully expressive of the Christian's longing, oftentimes felt, for the peace and glory of the Better Life to come.
