Down in the Forest
(SPRING)

Down in the forest something stirred
So faint that I scarcely heard:
But the forest leapt at the sound,
Like a good ship homeward bound,
Down in the forest something stirred
It was only the note of a bird.

Now in the morning of life I stand,
And I long for the touch of your hand:
I am here, I am here at your door,
Oh, love, we will wait no more!
Down in the forest something stirred
It was only the note of a bird.
