PRICE THREE SHILLINGS AND SIXPENCE.

The principle of Pointing followed is that of the Cathedral Psalter, with slight modifications here and there suggested by experience, in the treatment of individual verses. For the accents which are used in the Cathedral Psalter to indicate the beginning of the bar of duplet time, which connects the free recitation with the metrical part of the chant, are substituted super-imposed musical notes, in accordance with the principle set forth in the Preface to the Cathedral Psalter, so as to indicate exactly, in every verse throughout the Psalter, the best method of dividing the bar into the component parts of a semibreve. Other means also have been adopted to ensure clearness and promote facility. Prefixed to the new Psalter is a Scheme of Chants and some brief Notes on the History of the Psalter and the Characteristics of each Psalm.

THIRD EDITION (REVISED AND GREATLY ENLARGED).

Containing 600 Chants. Price 2s. 6d.; Cloth, 3s.

EXTRACT FROM EDITORS' PREFACE.

The inconvenience and constant of the number of separate Books usually requisite for the members of a Choir, in the performance of an ordinary Choral Service, have long pointed to the desirability of a work which should, as far as possible, unite under one cover all that is necessary for the choral rendering of, at least, those portions of the Church's Services which are less liable to variation.

The Music of the Versicles and Responses—Psalms as well as Parias—a Psalter and Canticles pointed for Chanting, are almost indispensable for the careful and accurate rendering of a Choral Service. And yet, hitherto, it has been scarcely possible to procure these, unless in separate numbers: involving not only much additional expense, but also the disadvantage arising from the continual shifting of books during Service time, which is such a hindrance to a devout participation in Divine Worship.

To remedy these evils, and to assist in promoting, as it is hoped, a more careful and reversed performance of the Divine Offices, the Cathedral Prayer Book has been compiled.

This manual provides not only for the daily Morning and Evening Prayer, and the choral celebration of the Holy Communion, in all its complements, but also for the whole of the occasional Offices contained in the Book of Common Prayer. A special feature of it, moreover, is that it includes an Appendix, in which are contained not only Tallis's Festival Responses and Litany, but a great deal of other additional and miscellaneous matter which it is conjectured will add greatly to its usefulness and value.

The Versicles and Responses throughout the Book (exclusive of the Appendix) and the Litany are from the arrangement used in St. Paul's Cathedral (Stainer and Martin, founded on Goss). They follow Merbecke, although with one or two slight variations which have become traditional in the Cathedral of the Metropolis, and, more recently, in many other Churches.

The Music to the Order for the Administration of the Holy Communion follows the edition of Merbecke given in "A Choir Book of the Office of Holy Communion" (Stainer), and published some years since. The Order for the Burial of the Dead has also been arranged from Merbecke by the same Editor.

The printing of the Psalms and Canticles is after the pattern known as the "Cathedral Psalter" pointing.

For those having a special collection of Chants in use this Prayer Book is issued with the Canticles and Psalms pointed only; for those who prefer a complete musical manual an edition is issued containing the "Cathedral Psalter Chants."

The Appendix contains, besides the Psalms Responses and Litany by Tallis arranged in four parts (Barlow), the Ambrosian Te Deums arranged from Merbecke (Stainer), after that version given in his book by the late Dr. Rimbaud; accompanying harmonies to the apostles' Creed (Bridge); the Creed of St. Athanasius, set to the Ancient Plain-Song Melody, with Organ Accompaniment (Stainer); an Exposition of the Creed in the Communion Service, with Instructions from an Ancient Confessor given in Godet's "Directorium Chorist.," and harmonized (Stainer); the Comfortable Words and Proper Prefaces, with the addition of an organ accompaniment (Stainer); Rules for the Proper Inferences of the Collects, Epistles, and Gospels, from the Rev. H. A. Walker's Manual for the Holy Communion; the Psalms in the Burial Office, set to a Plain-Song Melody, from "The Psalter Noted," by the late Rev. Thomas Helmore; the 51st Psalm (Miserere mei), see to the TLMX Regalia, and used at the Special Lenten Service in St. Paul's Cathedral (Stainer).
