Roses Red in the Garden.

Roses red in the garden,
  Happy birds on the tree,
The voice of June in the breezes,
  The busy hum of a bee.

Dear little sunlit garden,
  The home of a might have been,
The realm of an uncrown'd empress,
  And throne of a blue-eyed queen.

Oh, for the sunlit garden,
  Oh, for the roses there,
And you with your feet in the daisies,
  And the sun on your golden hair.
