"you,"
With smiles that thrill me through and through,
Though we're apart?

Or is't the form which comes to view, That
seems so much a part of you I love so dear?
Ah, no! were beth some other thing,
Still if to me your heart t'would bring,
O never fear—I'd know it well; since
all that's best, And sweet and pure, that in you rest, Is Mind a-
bove.

For when God thought of

something true, His angels came straight-way to you. The "you" I

love. Presto
