Nev'er shall you — be gar-n'ed in sin-gle shouf!
Не сши-ьте те-би бе во е-дин-ый сонь!

Ah! sur yearn-ing and vis-ions born in an-guish,
Уж вас, ду-мы мо и, ду мут-ки.

Who can put you in words of heart and tongue,
Не страш — нуть вас — ра-звой сълечь до — дей.

Nev-er can you be bound in spok-en word!
Од — ной речь — ю — то весь не вь-ря-зать!

ritard.
Ове ты грудь смеял бурю и ветры, порча друзей.
Но ты поселя хвалебна ветры разгуливал.

О, как наш пол цветущий, шел из земли, все зерна разбросал.
О, как наши думы, разбросали по разу.

Oh, how great were the seeds scattered.
Oh, my dreams, And where ever such
seed was flung a broad,
In the soil there a

bound weeds of mis - er - y,
In the soul there a - bound seeds of sor - row.  

Ah!

con moto

Ah!
